A scheme is on foot to consolidate all the cattle interests of the northwest into a single corporation, that will control about \$15,000,000 worth of cattle and grazing lands. The usual argument in favor of enterprises of this character—that it is absolutely neces-sary to prevent "ruinous competition," etc. sary to prevent "ruinous competition," etc.
—is vrged by its projectors, and seems to
have made a profound impression upon the
minus of the ranch owners. The prospect

KANSAS CASUALTIES.

HAPPER, KAR., June 4.—Our city was thrown into intense excitement this morning by two distressing incidents. Two of our most prominent and respected citizens were found dead, one by his own hand and the other by socident. About six o'clo-k this morning Hon. Geo. D. Thompson was found in an outhouse at his residence with a 4 calibre bull-dog revolver in his right hand and a bullet hole entirely through his head, the bullet entering at the right temple and passing out at the left. His wife heard the preport and called to a neighbor, but Mr. Thompson was dead before he was reached. Before the dreadful news had been fairly circulated, a report came that A. W. Skinner had been suffocated in the gas want of the cypera house. A few moments later his dead body was carried out of the yault where it had lain since the night before. He had gone into the vault about 9 o'clock in the evening to arrange the fit trees, and the gas had escaped in such quantities that he was unffocated it once. Both were young men of about 20 years of age, and both very prominent in public affeirs. Hon. Geo. D. A Father Murders His Wife and Child

Commencement at Lawrence,
Lawrence, Kam, June 6.—The commencement exercise at the state university have been unusually interesting so far this year. This morning the anniversary of the pharmacy class was held in the university hall. The exercises consisted of the usual papers and orations by members of the graduating class, and an address by Dr. R. J. Brown, of Leav enworth. The pharmacists held their annual banquet at Brossoup a hotel to-night. This department has been established for only two years, but in that time under the efficient management of the dean, Dr. Sayer, it has taken a leading place among the sel-ols of pharmacy in the country. the sci. ols of pharmacy in the country. To night Hon, Noble L. Prentiss, of the Newton Republican, delivered the annual address before the literary socities. His subject, "The House of Bourbons," was treated in a masterly manner. It was one of the most scholarly addresses that has ever been given in the university. The immense hall was filled to overflowing, as it has been every night since the sommence-ment exercises began. The following members of the senior law class were admitted to practice in the district court to-day: James T. Dickerson, John G. Milles, James B. Harris, Dan. A. Crew, George W. Frohlick, William J. Jackson, Isaac F. Bradly, B. F. Hutchins, S. W. Moore, F. S. Pentzer, R. W. Blair and

A Holiday Horror.

Sz. Louis, June 2.—A special from Chihuahua, Mexico, says: A terrible panic prevailed here yesterday afternoon in the Catholic cathedral, caused by the falling of a candle and setting fire to one of the altars. The day being a religious holiday the church was crowded to overflowing, principally with women and children. At sight of the smoke the crowd became frantic, and the usual scenes of a terrer stricken struggle followed. Several children were killed, and quite a number of women severely injured. The scene at the main entrace of the church was pititul to behold, women and children were lying about, groaning with pain, while doctors were doing their utmost to resuscitate the sufferers. The official report of the killed is not obtainable at this hour.
